FALL FEAST 2023 RECAP

In addition to proclaiming God's feast days, we came together to celebrate them, and it was great!

We kicked off our fall feast with an amazing Trumpets Offertory. Thank you to everyone that worked on their offering and to everyone who helped bring the evening together. The message was consistent: King Jesus will return and reign among us!

Following Trumpets, we had a special time of unity as we fasted and prayed for the Lord to lead us as a congregation. The youth even participated with their 2nd burial of the Youth Ministry atonement time capsule.

Each class worked on a project focused on serving, unity and/or the fruit of the Spirit. The projects were buried in a time capsule near our outdoor firepit area and will be dug up and reflected on next year.

Finally, we kicked off Sukkot with tabernacle tours, a special oneg and camping. Our Sukkot celebration event was packed with education, fun, praise and worship and, of course, fellowship.
